

Jack Kimmel Grant Application (Canadian)

The Canadian Tree Fund's mission is to promote research and education in the arboriculture industry. Each year, the Jack Kimmel Grant is awarded to one or more applicants demonstrating the ability to conduct a project that supports our mission. Our funding limit is flexible- past projects range from \$500.- \$15,000, including full or partial funding and no overhead expenses.

Are you working on a project that would have a great impact on the arboriculture industry? To be eligible, you must be working in Canada on this project and the results must directly affect the arboriculture industry through research or education. Are you ready to apply? Please send us an application including all the information requested below. Once complete, please email your full application to info@canadiantreefund.org.

PART 1 GENERAL DETAILS:

Applicant's Name:

Email address:

Date of application:

What is the name and role of the main applicant?
